The UK's Favourite Electrical Distributor

THE ULTIMATE IN STOCK **FOR HVAC CONTRACTORS AND**

For over a century WF Electrical, one of the UK's premier electrical distributors has stood as a beacon of excellence and an innovator in standards of service that has earned it the industry's top award year after year.

We've now added a comprehensive range of Combustion Products and related spares and tools to our extensive range of HVAC Building Controls detailed in a separate catalogue. This plus our massive stocks of electrical products held in our National Distribution Centre in Dagenham offers HVAC contractors a unique and unparalleled service.

MASSIVE STOCKS

We hold literally thousands of HVAC lines from all types of Building Management Controls such as Sensors, Gas and Zone Controls and Pumps to Gas and Oil Valves and Burners and Boosters to cater for the most sophisticated installations. So, whatever the specification calls for, you'll be sure to find it in stock at WF. What's more, we hold all the major brands too.

IMMEDIATE DELIVERY

Everything in stock at our National Distribution Centre (NDC) is available for same day/next day delivery on WF's own delivery service. Place your order by 5:30pm and it will be ready for collection by 8:am at any one of our 79 branches or we can deliver it to your chosen location- **ALL ON OUR OWN TRANSPORT.** We'll even deliver to your site within hours inside the M25 or, if you prefer, you can collect your order from the sales counter within our NDC.

UNPARALLELED SERVICE

Whether your contact is with any of our 79 branches nationwide or a member of our National Sales Team in Dagenham, you'll find the WF brand of service a refreshing change-both positive and responsive. And when we make a promise, we keep it for we know you have a choice and it's up to us to earn your business and your trust.

**YOU'LL SAVE
VALUABLE TIME
BY SOURCING ALL YOUR
ELECTRICAL NEEDS TOO**
